Dear Mr. Weisberg:

I have your letter and look forward to Part I as it becomes available.

Mike Conklin has sent me Part II which I am reading as time allows. He told me of the Kennedy hearing on September 9th, and I will have a friend there. She will also be in touch with Kennedy's administrative assistant to obtain an early copy of the proceedings.

I'm grateful for your assistance in this matter and hope that your health improves.

Sincerely yours,

Sidney Cohen, M.D.
